

WINE OF THE WEEK

We're almost at the end of January so if you've cut down on your alcohol intake it's time to treat your tastebuds to a superior bottle of wine. Lidl's impressive Chateauneuf du Pape Cru de la Vallée du Rhone (£7.99) boasts a well-rounded character but if you're a fan of New World wines then try Montes Alpha's Cabernet Sauvignon 2007 (£10.99, Tesco). This majestic Chilean offering will perk up your palate thanks to its full-on flavour, which blends rich fruits, spice and a hint of oak. For more great wine offers call The Express Wine Club on 0845 620 9980.
